## MR16 LED SMD 7W 3000K

### FEATURES

- 2 years warranty
- Constructed from clear glass
- Flicker free

### SPEC DATA

|                             |                        |
|-----------------------------|------------------------|
| Product Wattage:            | 7W                     |
| Product Lumen:              | 550Lm                  |
| Lumen/W:                    | 78.6                   |
| Kelvin:                     | 3000K                  |
| Energy Rating:              | F                      |
| Dimmable:                   | N                      |
| Beam angle:                 | 38°                    |
| Standby power:              | 0W                     |
| CRI:                        | 80                     |
| Lifetime (Hours):           | 25000                  |
| LED Brand:                  | San'an                 |
| SDCM:                       | < 6                    |
| Power Factor:               | 0.8                    |
| Driver Type:                | Constant Current 710mA |
| Inrush Current at Start Up: | 5.5A                   |
| Product Voltage:            | 12V AC/DC              |
| Hertz:                      | 50/60Hz                |
| Surge Protection (KV):      | 0.5                    |
| Operating Temp.:            | -20 to 45 Degree       |
| IP Rating:                  | 20                     |
| Product Weight:             | 0.06KG                 |
