

Drill a 5mm pilot hole

Secure screw-fix,
no wall plug required

Simply wrap around the cable

Secure cable with locking tab

Tight fitment, neat appearance

These Cable Fixing Packs are ideal for EV charging cables. Each pack contains 20x fire-rated screws for masonry, concrete & brickwork; with no wall-plug required.

The Clips are produced from fire-rated steel, which can adjust to different cable diameters by a tight wrap & lock mechanism that gives installations a perfect finish.
